the virginia chamber orchestra

The Virginia Chamber Orchestra (VCO), currently celebrating its 38th Season, is widely recognized for its artistry and innovative local and national outreach. It brings internationally known Music Director Luis Haza, outstanding young guest artists, and a compliment of the area's finest professional instrumentalists to a convenient suburban venue, attracting enthusiastic listeners from Virginia, Maryland, and DC.

Laudatory reviews in the Washington Post repeatedly affirm the VCO's "top-notch" music making. It occupies a singular role among all area arts organizations in partnering with educational television networks to produce unique educational programs for national audiences numbering in the millions. Through its award-winning Special Audience Outreach, complimentary dinners and admission are made available to fifty underserved people per concert.

*Our heartfelt appreciation goes to MAESTRO LUIS HAZA
for his highly successful tenure of 12 years with the Virginia Chamber Orchestra.*
